The given structure meets the requirements of the [Resolution of the Presidium of Supreme Certifying Commission of Ukraine No 7-05/1 of 15.01.2003 "On increasing the requirements for professional publications included in the list of SCC of Ukraine"](#).

## SUMMARY

being an independent source of information should enable understanding the basic content of an article (it should contain at least **2 000** units with spaces). A summary should be clearly structured (all the structuring words **are typed in bold**):

Українська мова	Русский язык	English
Предмет	Предмет	Subject matter
Мета	Цель	Goal
Завдання	Задачи	Tasks
Методи	Методы	Methods
Результати	Результаты	Results
Висновки	Выводы	Conclusions
<b>Ключові слова</b>	<b>Ключевые слова</b>	<b>Keywords</b>

## FORMATTING AND LAYOUT INFORMATION:

MS WORD format. Main text in Times New Roman font, 14 pt font size, 1.5 space interval. For summaries, references, figures, and tables: font – Times New Roman, 12 pt font size, interval – 1. Paragraph indentation – 1 cm.

Page margins: top and bottom – 2 cm, left – 3 cm, right – 1,5 cm.

Experimental articles should be 15 – 20 pages long. Pages of the article should be numbered.

Tables, figures, and diagrams should be created in A4 (book) format and additionally submitted in the files of the programmes they were created (\*.doc, \*.jpg, \*.xls). Background fillings and frames are not allowed in diagrams; tables should not have background fillings. Empty cells are not allowed in tables.

A figure should be referred to in the text beforehand, e.g. Fig. 1, Fig. 2-4, Fig. 5, a.

A figure label looks like **Fig. 1. Name of the figure**

A table should be referred to in the text beforehand, e.g. Table 1.

A table label looks like **Table 1. Name of the table**

Formulas should be edited in **Microsoft Equation 3, MathType**.

Formulas are referred to in the text as follows: (1), (2-4). Formulas should be numbered. Numbering is aligned to the right.

A formula is a part of the text, therefore, there should be a semantic sign after a formula – a full stop/point, if a further sentence goes on or a comma, if the further clarification takes place.

## REFERENCES

are formatted according to requirements of the SCC according to 8302: 2015 DSTU “Information and documentation. Bibliographic link. General provisions and rules of drafting”, taking into account the amendments (code UKND 01.140.40). The list of references should not contain fewer than 10 references, self-citations should not exceed 30%. References in the main text should be given in square brackets where the ordinal number of the quoted paper according to the reference list is identified. The reference list should be arranged in the order of references in the text. References should be given in their original language.

**Note!** A bibliography in Latin characters formatted in **Harvard style** is added to the article. References are translated into English (a Russian source is translated into the target language and then is transliterated in [square brackets]).
