

CONSENT TO PUBLICATION AND PERSONAL DATA PROCESSING

The author, who is doing the correspondence (hereinafter referred to as the author) is authorized be the co-authors to confirm the following:

I, _____, confirm that the
(the author's full name)
submitted manuscript of _____
(the names of all authors)

(article title)

- is approved by all the co-authors;
- is approved for release by the responsible institution where the work has been done.

The author hands over the exclusive rights for the article to the Kharkov National University of Radio Electronics and the State Enterprise “Southern State Design and Research Institute of the Aviation Industry” that are the co-founders of the scientific journal “Innovative Technologies and Scientific Solutions for Industries”. The assignment of copyright covers the exclusive right to publish, edit, translate into other languages and distribute the unlimited edition of the Articles in any form and format in any media.

The copyright on publication is handed over at the moment the editorial board accepts the manuscript for printing.

The author guarantees that the Article is original and is not a copy of any other matter, that it has not been published before and that the rights to publish it have not been assigned to anybody and that the author is authorized by the co-authors to assign the rights to publish it.

The author guarantees that the use of his copyright will neither violate the copyright of any other people or organization nor will disclose classified or confidential information.

The author is responsible for this Article and signs the consent to publication on behalf of all the co-authors.

The author reserves the following rights: to use the Article in reviews, dissertations, books, lectures, to make copies (including electronic ones for personal use, provided that the copies will not be used for sale or systematic distribution).

The authorship or the order of the specified names of the co-authors will not be changed after obtaining the consent to publication signed by the author who is doing the correspondence.

The author agrees (according to the Law of Ukraine “On Protection of Personal Data”) that his/her personal data (information about authors) be processed or disclosed in order to ensure the implementation of relations in the field of science.

*** The journal editorial board may not share the views of the authors and is not responsible for the accuracy of the information. The editors reserve the right to revise and edit the articles.**
